

Training Announcement

Subject: RX-300 Prescribed Fire Burn Boss **Date:** March 10-14, 2025 **Location:** Online(WFLP)

The National Training Delivery Team is offering RX-300 in coordination with Tall Timbers Research Station and the University of Idaho. **This announcement is for Federal Employees only.** If you employed outside of a federal agency, please contact Ron Guy, Tall Timbers Wildland Fire Training Coordinator, rguy@talltimbers.org.

Course Description

The RX-300 Prescribed Fire Burn Boss course is designed to equip participants with the knowledge, skills, and attitudes necessary to prepare, critically evaluate, and implement a prescribed fire plan in accordance with the NWCG Standards for Prescribed Fire Planning and Implementation (PMS 484).

Objectives

- Prepare a prescribed fire plan in accordance with policy and guidelines
- Critically review prescribed fire plans and identify the necessary information for prescribed fire implementation
- Discuss prescribed fire implementation strategies and identify their application in various scenarios
- Evaluate, revise, and defend a prescribed fire plan the safely meets management objectives

The course includes a combination of self-paced pre-work, asynchronous activities, and Virtual Instructor-Led Training (VILT) sessions delivered through the Wildland Fire Learning Portal (WFLP) and Zoom.

Total Course Hours: 62 hours

- **22 hours of pre-course work**
- **40 hours of course work, including:**
 - ~25 hours of required live sessions (Monday–Friday)
 - ~15 hours of recorded sessions

Requirements for Successful Completion:

- Complete all pre-course work.
- Attend all VILT sessions and watch all recorded sessions.
- Complete all exercises and discussion board activities.
- Pass the implementation assessment and final presentation.

Cost

\$0 (federal students)
