

Firefighter Date Night

ALL COUPLES WELCOME

Don't miss this night of couple-hood and camaraderie with **Mike & Anne Gagliano**, popular lecturers and co-authors of "Challenges of the Firefighter Marriage."

Mike and Anne deliver an honest look into what is happening to firefighter marriages and why. Couples are highly encouraged to attend together.

The evening will include a complimentary dessert bar, thanks to the generosity of our local food purveyors.

Anne Gagliano is a widely read columnist for Fire Engineering and Firelife.com. Capt. Mike Gagliano, Seattle Fire (ret.), is a 30-year veteran firefighter, leading FDIC lecturer, and co-author of "Air Management for the Fire Service."
