Sable Altura Fire Rescue Training Division Presents...

AHA BLS Instructor

This course is a programmed AHA course facilitated by instructors who have Faculty designation with an affiliated AHA Training Center.

This is a one-day class, that will require an additional day where Instructor Candidates will be monitored teaching an actual course. However, Instructor Candidates will have to pre-register, and complete the online portion of this course PRIOR to attending the class day.

This course does require AHA materials and coursework that the candidate MUST purchase and have in advance of the class day.
