Learn **Concepts of Peer Support**, in line with recommendations from the International Association of Fire Fighters (IAFF), International Association of Chiefs of Police (IACP), Substance Abuse & Mental Health Services Administration (SAMHSA), Mental Health Commission of Canada, as well as information gleaned from experts in the Peer Support field worldwide. In addition, we have included **ALL BADGES, ALL UNIFORMS, ALL SCRUBS**, as we **rely on each other ALL the TIME**.

The one thing that is missing is **PSYCHOBABBLE!** We recognize that emergency service and care workers want straight talk to get the job done. How do we know? Because all First Responder Trauma Counselors National Peer Support Academy instructors are not ordinary Clinicians – they are **CULTURALLY COMPETENT**, having spent 1000s of hours on the job as **FIRST RESPONDERS THEMSELVES**. We know how you feel, as we have felt the same way, and we will share what we've found, both as Clinicians and field First Responders, to help our fellow Tribe members.

PLUS, you'll receive your own **Peer Support Manual**, developed and written by FRTC's Senior Clinical
