Fire and Emergency Services Company Officer I

This course is designed to broaden or solidify the knowledge for certification with the State of Colorado at the level of a Fire Officer I. All JPR's are completed in this class.

This course utilizes content direct from IFSTA's Fire and Emergency Services Company Officer 6th Edition Text, as well as real-world experiences, examples, leadership solutions, and round-table discussions.

Candidates should be prepared to present collegiate-level work in this course, and to learn more about their own agency (and other agencies) in the process.
